NOTE.

Dated 23rd February *1915*.

During our recent tour in the Shimoga District a number of petitions presented to the Extraordinary Member and myself were handed over to the Deputy Commissioner of the Shimoga District for necessary action and he was requested to send up a statement showing, very briefly, the action taken by him on each of them.

2. The Deputy Commissioner was at the same time requested to enquire into, and report on, the complaint of one Nila of Kumsi that no compensation had been paid to him for some of his lands taken up for the construction of a tank years back.

3 The Secretary, General and Revenue Departments, will kindly invite the Deputy Commissioner's attention to these matters and enquire when the promised statement and report may be expected.
